

DRIVE STUDENT ACHIEVEMENT IN MATH WITH GAME-BASED LEARNING

Legends of Learning is hosting a state-wide Math Fluency contest.

SIGN UP today to engage students in math fact fluency.

The district with the most math facts answered during the pilot will be crowned Math Fluency Champs!

MATH BASECAMP

BY LEGENDS OF LEARNING

- Research-based approach to fluency addresses all phases of fact fluency.
- Student- and teacher-friendly activities include mini-games, hands-on lessons, and individualize-adaptive mastery game.
- Powerful, real-time reporting to monitor progress and provide individualized instruction.

FROM BASECAMP TO MATH CHAMP

VISUALIZE THE CLIMB

See how students build automaticity and teachers guide learning.
